

Mode d'emplois du code ANTI-SPAM

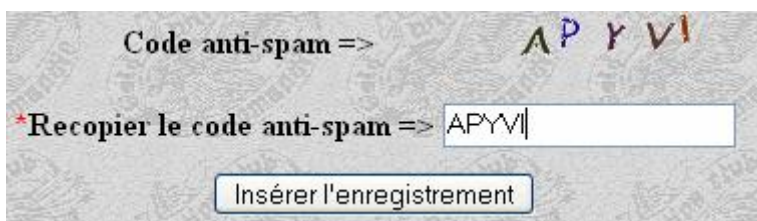

La code anti-spam est code qui change à chaque connection. Ce sont des lettres MAJUSCULES dessinées de manière à ce que les robots ne puissent pas les lire.

Il suffit de les inscrire dans la case « Recopier le code anti-spam comme démontré ci-après.

Ensuite de quoi, comme par le passé, de cliquer sur insérer l'enregistrement.

Ces mesures ont été prises pour éviter ce qui suit : soit 260 messages non désirés tel que montrés ci-après.
